

Mission Statement

Our Clients

Mar Vista's mission is to grow our clients' wealth, while preserving their capital, through superior long-term investment returns. The trust that clients have bestowed upon us as stewards of their capital is paramount to everything we do. In addition, we require openness, integrity, and balance in all of our client communications.

Our Employees

Mar Vista's mission is to create a rewarding and enjoyable environment that fosters learning, openness, camaraderie, accountability, and client-aligned economic incentives. We seek to attract and retain team players who are students of investing and the investment philosophy that we employ.

Our Community

Mar Vista's mission is to be an active and supportive citizen in our community. We contribute our resources to community-related initiatives that enable the advancement of those with fewer opportunities.
